EDF EURODERM EXCELLENCE 2026

23rd Edition of Euroderm Excellence Training Program: a unique course offered to the best and brightest European residents in dermatology.

Participating in the EDF Euroderm Excellence is a privilege. We aim to provide 4th-year dermatology and venereology residents with an outstanding teaching program covering up-to-date and practical knowledge in the different fields of dermato-venereology. Moreover, we want to offer the selected residents an opportunity to share time and experience with their peers from all over Europe, and to have a chance to interact with a panel of the leading experts in dermatology and venereology.

For this year, the theme is *"The future in dermatology"*.
